<sup>2</sup> 442 personnel from independent commanders Ammanullah Khan (314); Herat Mujahideen (18); Militia Forces Charbolak (110) have been voluntarily DDR'd to date but only received food packages. ANBP is not mandated to include them within the DDR "R" programme. The remaining numbers of Illegal Armed Gangs are currently being quantified for a new programme.

<sup>3</sup> Both the AMF and ANA are recognised operational forces funded by the Islamic State of Afghanistan. The AMF is being DDR'd to break down the historic command and control structures and patriarchal allegiances that exist between the personnel and the factional leaders. In parallel, personnel are being recruited and professionally trained for the ANA to create a modern deployable and ethnically representative Army, that is commanded by the MoD and loyal to TISA. The ANA should reach 43,000 before Dec 05 and be at its full complement of 70,000 before Dec. 07.
