<sup>1</sup> 247 irregular forces (IF) have been voluntarily DDR'd to date but only received food packages as not entitled to “R”. Outstanding numbers of IF are being quantified.

<sup>2</sup> Both the AMF and ANA are recognised forces funded by the Transitional Islamic State of Afghanistan. The AMF is being DDR'd to break down the historic command structures and patriarchal allegiances that exist between the personnel and the factional leaders. In parallel, the professionally trained ANA personnel are being recruited and appointed to provide a modern deployable and ethnically balanced Army that is commanded by the MoD and loyal to TISA.
